

# Terms of Service

## Automotive

### Booking & Payment

- Full payment is required no later than one day before your scheduled shoot. If payment is not received by the deadline, your appointment will be canceled without notice
- Payment methods accepted include **Zelle, Venmo, Apple Pay**

### Scheduling & Cancellations

- Clients must provide at least **48 hours' notice** to reschedule. One reschedule is allowed at no charge, subject to availability.
- Cancellations result in the forfeiture of the retainer.
- The Photographer reserves the right to reschedule due to weather, safety concerns, or other unforeseen circumstances.

### Session Details

- Clients are responsible for ensuring the vehicle is clean and presentable at the time of the shoot.
- The Photographer is not responsible for the condition or cleanliness of the car during the shoot.
- Locations should be secured in advance by the client

### Image Delivery

- Final edited images will be delivered within **2 days** via a private online gallery or download link.
- The number of final edited images will depend on the package selected.
- RAW or unedited images are not included unless previously arranged.

### Editing & Retouching

- Final images include professional editing such as color correction, lighting adjustments, and minor touch-ups.

- Advanced retouching (e.g., bodywork edits, background swaps, license plate blurring) may incur additional fees.
- The Photographer retains creative discretion in the final editing style.

### **Unedited Images**

- Clients may request to purchase all unedited images for an additional fee of **\$100–\$200**, depending on the scope of the session.
- These images are delivered in JPEG format and are not color-corrected or retouched.

### **Usage & Copyright**

- The Photographer retains copyright to all images.
- Clients receive a license for personal use, including posting on social media, forums, or print.
- Commercial use (e.g., advertising, resale, promotional campaigns) must be agreed upon in writing and may require a separate licensing fee.

### **Model Release**

If the vehicle owner or driver is identifiable in the photos, a model release may be required. Unless otherwise requested in writing, the Photographer may use images for portfolio, website, and promotional use.

### **Liability**

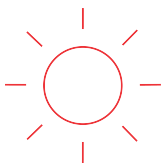

The photographer is not liable for damage to vehicles, personal injury, or property loss occurring during the session. The client assumes responsibility for the safety of the vehicle and any individuals present.

### **Weather Policy**

Automotive photography is highly dependent on lighting and weather. If conditions are unsuitable, the photographer may reschedule at no additional cost to ensure the best quality results.

### **Privacy & Data Protection**

Images are stored securely for 3 months after delivery.
